

WORK ZONE SAFETY IS EVERYONE'S JOB

Tips for traveling safely in work zones

U.S. Department
of Transportation
Federal Motor
Carrier Safety
Administration

Stay safe in work zones with these tips from FMCSA's *Our Roads, Our Safety* campaign:

- **Research your route** and **avoid work zones** where possible.
- **Pay attention** to the road and posted signs.
- **Avoid distractions** on your phone, eating or drinking.
- **Slow down** for traffic pattern shifts.
- **Watch for workers.**
- **Move early into open lanes** when approaching lane closures.
- **Be aware of blind spots** and leave extra following distance between vehicles.
